## **Appendix II – QHSE Policy**

### **QUALITY, HEALTH, SAFETY & ENVIRONMENTAL (QHSE) POLICY**

#### **QHSE Excellence**

In line with the very nature of the Aspire Logistics business of providing a safe and healthy environment for sporting excellence, Aspire Logistics is striving to be a leader in QHSE while providing innovative solution meeting the needs of our end users.

#### **Our principles**

- We conduct our business with respect and care for the environment and without compromising the health and safety of people, whether employees, customers or other personnel who could be affected.
- We strive for continual improvement of all our business processes while at the same time meeting or attempting to exceed all relevant legal or regulatory requirements and appropriate international standards.
- The high quality of our practices and services as key elements aim to make our end users satisfied and add value to our processes.
- We provide an environment of an open and transparent internal and external communication.

#### **Our commitment**

In order to follow these principles every part of Aspire Logistics will –

- Strive to prevent pollution, injuries and ill health
- Integrate QHSE into the processes to add value.
- Manage QHSE effectively by developing, implementing and maintaining integrated process oriented management system.
- Analyse and manage the QHSE risks of the services provided and asses manage the environment impacts.
- Manage and measure the QHSE performance and develop annual and long term QHSE objectives to achieve continual and sustainable improvement.
- Verify compliance of the QHSE management system with internal and external requirements through audits and strive for compliance with ISO 9001, OHSAS 18001 and ISO 14001.
- Address QHSE issues and their impact in all practices, processes and services to align our process with public and end user expectations.
- Promote QHSE awareness and enhance confidence and acceptance of all stakeholders by informing, communication, training, advising and encouraging, both internally and externally.
